1662 smoothly, like a diver **and** the old man saw the great
1263 of his tail go under **and** the line commenced to race out
1266 out fast but steadily **and** the fish was not panicked. The

1272 it. He is a great fish **and** I must convince him, he thought
1275 put in everything now **and** go until something broke. But
1277 they are more noble **and** more able. The old man had
1280 a thousand pounds **and** he had caught two of that size in
1282 alone. Now alone, **and** out of sight of land, he was fast
1283 that he had ever seen **and** bigger than he had ever heard of
1284 he had ever heard of, **and** his left hand was still as tight
1288 are brothers: the fish **and** my two hands. It must uncramp
1290 fish had slowed again **and** was going at his usual pace. I
1296 more man than I am **and** I will be so. I wish I was the fish
1297 against only my will **and** my intelligence. He settled
1299 against the wood **and** took his suffering as it came and
1300 suffering as it came **and** the fish swam steadily and the
1300 fish swam steadily **and** the boat moved slowly through
1303 up from the east **and** at noon the old man's left hand

1314 remember the prayer **and** then he would say them fast so
1318 thou among women **and** blessed is the fruit of thy womb

1320 for us sinners now **and** at the hour of our death. Amen
 1323 With his prayers said, **and** feeling much better, but
 1324 exactly as much, **and** perhaps a little more, he leaned
 1325 the wood of the bow **and** began, mechanically, to work the
 1331 will need to eat again **and** the water is low in the bottle. I
 1336 excellent to eat raw **and** I would not have to cut him up. I

 1349 and I could sleep **and** dream about the lions, he
 1352 now against the wood **and** think of nothing. He is working
 1354 into the afternoon **and** the boat still moved slowly and
 1355 still moved slowly **and** steadily. But there was an added
 1356 the easterly breeze **and** the old man rode gently with the
 1357 with the small sea **and** the hurt of the cord across his
 1358 came to him easily **and** smoothly. Once in the afternoon
 1361 the old man's left arm **and** shoulder and on his back. So he

 1374 of the strain to it **and** he shrugged the muscles of his
 1378 He felt very tired now **and** he knew the night would come
 1379 would come soon **and** he tried to think of other things
 1381 were the Gran Ligas, **and** he knew that the Yankees of New

 1399 I am sure he would **and** more since he is young and
 1399 since he is young **and** strong. Also his father was a

1418 of both his **and** the negro's hands and they looked
1418 and the negro's hands **and** they looked each other in the eye

1427 fed the negro rum **and** lighted cigarettes for him. Then
1429 a tremendous effort **and** once he had the old man, who was
1433 who was a fine man **and** a great athlete, beaten. And at
1435 it be called a draw **and** the referee was shaking his head
1436 unleashed his effort **and** forced the hand of the negro
1437 of the negro down **and** down until it rested on the wood
1439 on a Sunday morning **and** ended on a Monday morning. Many
1444 finished it anyway **and** before anyone had to go to work
1446 him The Champion **and** there had been a return match in
1447 much money was bet **and** he had won it quite easily since
1450 he had a few matches **and** then no more. He decided that he
1452 to badly enough **and** he decided that it was bad for his
1455 always been a traitor **and** would not do what he called on it
1455 he called on it to do **and** he did not trust it. The sun

 1466 at the hardness **and** water-drop shivering that
 1467 moved ahead slowly **and** he watched the airplane until he
 1473 hundred fathoms high **and** see the fish from above. In the
 1474 of the mast-head **and** even at the height I saw much
 1476 greener from there **and** you can see their stripes and
 1476 can see their stripes **and** their purple spots and you can
 1477 their purple spots **and** you can see all of the school as
 1479 have purple backs **and** usually purple stripes or spots

 1501 against the hook **and** it pounded the bottom of the
 1502 long flat body, its tail **and** its head until he clubbed it
 1503 head until it shivered **and** was still. The old man
 1506 with another sardine **and** tossed it over. Then he worked

 1520 do that a little later **and** lash the oars to make a drag at
 1521 the fish quiet now **and** not disturb him too much at
 1525 the line with it **and** eased himself as much as he
 1525 as much as he could **and** allowed himself to be pulled
 1531 since he took the bait **and** he is huge and needs much food. I

1537 my left hand is better **and** I have food for a night and a day
1538 have food for a night **and** a day. Pull the boat, fish" He
1540 almost passed pain **and** gone into a dullness that he
1543 is only cut a little **and** the cramp is gone from the other
1548 wood of the bow **and** rested all that he could. The first
1550 of Rigel but he saw it **and** knew soon they would all be out
1550 they would all be out **and** he would have all his distant

1564 of his behaviour **and** his great dignity. I do not
1568 to live on the sea **and** kill our true brothers. Now, he

1572 if he makes his effort **and** the drag made by the oars is in
1573 by the oars is in place **and** the boat loses all her lightness
1577 so he does not spoil **and** eat some of him to be strong
1579 rest an hour more **and** feel that he is solid and steady
1580 feel that he is solid **and** steady before I move back to the
1581 stern to do the work **and** make the decision. In the
1582 I can see how he acts **and** if he shows any changes. The
1584 He is much fish still **and** I saw that the hook was in the
1585 corner of his mouth **and** he has kept his mouth tight shut

1589 Rest now, old man, **and** let him work until your next

1596 gunwale of the bow **and** confided more and more of the
1596 and confided more **and** more of the resistance to the

1722 it burned his back **and** his left hand, and his left hand
1723 and his left hand, **and** his left hand was talking all the

1725 at the coils of line **and** they were feeding smoothly. Just
1726 bursting of the ocean **and** then a heavy fall. Then he
1727 Then he jumped again **and** again and the boat was going
1727 again and again **and** the boat was going fast although
1729 was still racing out **and** the old man was raising the
1730 to breaking point **and** raising it to breaking point again

1730 breaking point again **and** again. He had been pulled down
 1731 thigh onto the bow **and** his face was in the cut slice of
 1732 cut slice of dolphin **and** he could not move. This is
 1739 breaking of the ocean **and** the heavy splash as he fell. The
 1741 this would happen **and** he tried to keep the cutting

 1818 pressure of the line **and** he commenced to pull on it

1822 slipped his shoulders **and** head from under the line and
1822 from under the line **and** began to pull in line steadily and
1823 pull in line steadily **and** gently. He used both of his hands
1824 in a swinging motion **and** tried to do the pulling as much
1825 he could with his body **and** his legs. His old legs and
1826 his legs. His old legs **and** shoulders pivoted with the
1829 not come in any more **and** he held it until he saw the drops

1832 old man knelt down **and** let it go grudgingly back into the
1836 I must convince him **and** then I must kill him. But the
1838 on circling slowly **and** the old man was wet with sweat
1839 was wet with sweat **and** tired deep into his bones two
1840 much shorter now **and** from the way the line slanted he
1844 spots before his eyes **and** the sweat salted his eyes and

1852 a hundred Our Fathers **and** a hundred Hail Marys. But I cannot
1855 felt a sudden banging **and** jerking on the line he held with
1856 hands. It was sharp **and** hard-feeling and heavy. He is
1857 and hard-feeling **and** heavy. He is hitting the wire
1860 make him jump though **and** I would rather he stayed circling
1863 of the hook wound **and** he can throw the hook. "Don't
1865 several times more **and** each time he shook his head the
1872 beating at the wire **and** started circling slowly again
1874 with his left hand **and** put it on his head. Then he put
1875 Then he put more on **and** rubbed the back of his neck. "I
1877 said. "He'll be up soon **and** I can last. You have to last. Don't

1881 and then stand up **and** work on him when he comes in
1883 to rest in the bow **and** let the fish make one circle by
1887 man rose to his feet **and** started the pivoting and the

1887 started the pivoting **and** the weaving pulling that brought

 1896 the back of his head **and** he sank down into the bow with
 1902 fair-weather breeze **and** he had to have it to get home
 1903 "I'll just steer south **and** west," he said. "A man is never
 1904 is never lost at sea **and** it is a long island." It was on
 1910 But he was that bit **and** at the end of this circle he came
 1911 thirty yards away **and** the man saw his tail out of
 1913 a big scythe blade **and** a very pale lavender above the
 1914 water. It raked back **and** as the fish swam just below the

 1957 then righted himself **and** swam away. "Fish," the old man
 1966 fish righted himself **and** swam slowly away. You are
 1970 you, brother. Come on **and** kill me. I do not care who kills
 1974 Keep your head clear **and** know how to suffer like a man. Or
 1982 He tried it once more **and** he felt himself going when he

 1992 He took all his pain **and** what was left of his strength
 1993 left of his strength **and** his long gone pride and he put it

1993 his long gone pride **and** he put it against the fish's agony
1994 the fish's agony **and** the fish came over onto his side
1995 over onto his side **and** swam gently on his side, his bill
1996 planking of the skiff **and** started to pass the boat, long
1997 deep, wide, silver **and** barred with purple and

 1729 raising the strain to **breaking** point and raising it to
 1730 point and raising it to **breaking** point again and again. He
 1739 but only heard the **breaking** of the ocean and the heavy
 2597 old man could hardly **breathe** now and he felt a strange
 2672 that the old man was **breathing** and then he saw the old
 103 as when the **breeze** rises. "Two," the boy said
 233 there in the evening **breeze**. He was barefooted. The boy

1760 to die where I cannot **bring** him up. He will start circling
1944 all that he could to **bring** him closer. For just a moment
2034 everything,then **bring** him in and lash him well and
2135 man thought,let him **bring** me in if it pleases him. I am
2298 he knew that it would **bring** the highest price in the market

2755 old man, and I will **bring** you your clean shirt. And
2763 old man said. "I'll **bring** the food and the papers," the

2043 the second time. **Bring** him in now and make him fast
2757 something to eat. " " **Bring** any of the papers of the time
2129 and he thought, is he **bringing** me in or am I bringing him
2130 me in or am I **bringing** him in? If I were towing him

 1448 easily since he had **broken** the confidence of the negro
 2453 an oar handle from a **broken** oar sawed off to about two
 2545 a lost harpoon and a **broken** knife and two bad hands
 2753 in my chest was **broken**. " "Get that well too," the boy

 842 still in the water **but** there was nothing to be done. "I
 870 and tried not to think **but** only to endure. Then he looked
 896 less intolerable; **but** he thought of it as almost

 1060 weed on the line **but** the old man knew that only made
 1127 the salt water longer **but** he was afraid of another sudden
 1179 in being anything **but** practical though, he thought. I
 1237 was still cramped, **but** he was unknitting it slowly. I
 1266 was going out fast **but** steadily and the fish was nor
 1281 that size in his life, **but** never alone. Now alone, and out
 1306 He was comfortable **but** suffering, although he did not
 1323 feeling much better, **but** suffering exactly as much, and
 1332 I can get anything **but** a dolphin here. But if I eat him

 1752 He was ceding line **but** more slowly all the time. He
 1768 holding him again **but** you cannot get line. But soon he
 1820 tightened, as always, **but** just when he reached the point

1926 was sweating now **but** from something else besides the
1934 fish's back was out **but** he was a little too far from the
1936 still too far away **but** he was higher out of water and
1949 felt faint again now **but** he held on the great fish all the
1961 was too dry to speak **but** he could not reach for the water
2105 They were very tiny **but** he knew they were nourishing
2180 was full of resolution **but** he had little hope. It was too
2184 him from hitting me **but** maybe I can get him. Dentuso, he
2201 hit it without hope **but** with resolution and complete
2205 that he was dead **but** the shark would not accept it
2228 man can be destroyed **but** not defeated. "I am sorry that I
2297 and juicy, like meat, **but** it was not red. There was no

2362 not only his hands **but** his shoulder too. **But** the shark
2441 and he saw nothing **but** the sea and the sky. There was
2487 for him to come again **but** neither shark showed. Then he

33 Stay with them. " " **But** remember how you went eighty
42 the old man said. " **But** we have. Haven't we?" "Yes
50 at him and were sad. **But** they did not show it and they
94 gamble," he said. " **But** you are your father's and your
102 had never gone. **But** now they were freshening as
107 would," the boy said. " **But** I bought these. " "Thank you
109 had attained humility. **But** he knew he had stained it and
121 "No," the boy said. " **But** I will see something that he
128 kills the eyes. " " **But** you went turtle-ing for years off
131 a strange old man. " " **But** are you strong enough now for a
174 when they had sold it. **But** they went through this fiction
185 was a fiction too. **But** the old man brought it out from
193 cannot lose. " " **But** I fear the Indians of Cleveland
204 that," the boy said. " **But** what about the eighty-seven of
213 perhaps I can too. **But** I try not to borrow. First you
270 cans best. " "I know. **But** this is in bottles, Hatuey beer

295 I must take Brooklyn. **But** then I think of Dick Sisler and
 321 too in the older days. **But** he was rough and harsh-spoken
 337 and some great ones. **But** there is only you. " "Thank you
 343 the old man said. " **But** I know many tricks and I have
 375 go and wake the boy. **But** tonight the smell of the land
 391 the morning cold. **But** he knew he would shiver himself
 449 would speak in a boat. **But** most of the boats were silent
 478 and very beautiful. **But** she can be so cruel and it comes
 490 or even an enemy. **But** the old man always thought of
 552 were at a hundred. **But**, he thought, I keep them with
 553 have no luck any more. **But** who knows? Maybe today. Every
 554 is better to be lucky. **But** I would rather be exact. Then
 564 in the evening too. **But** in the morning it is painful
 574 straight up and down. **But** he crowded the current a little
 605 too fast and too far. **But** perhaps I will pick up a stray
 619 clouds over the land. **But** the bird was almost out of sight
 633 immune to its poison. **But** men were not and when some of
 637 poison oak can give. **But** these poisonings from the agua
 639 were beautiful. **But** they were the falsest thing in
 659 cut up and butchered. **But** the old man thought, I have such
 667 hated the taste. **But** it was no worse than getting up
 675 of bait fish. **But** as the old man watched, a small
 710 the boy had left. **But** he did not remember. When he and
 715 it so and respected it. **But** now he said his thoughts aloud
 719 he said aloud. " **But** since I am not crazy, I do not
 726 that were feeding. **But** they are working far out and
 748 my toe to wake me. **But** today is eighty-five days and I
 845 make the line fast. **But** then he could break it. I must
 851 and dies I don't know. **But** I'll do something. There are
 857 can't do this forever. **But** four hours later the fish was
 880 hook in his mouth. **But** what a fish to pull like that. He
 916 old age, he thought. **But** it is unavoidable. I must
 932 or by a wild rush. **But** perhaps he has been hooked many
 935 that it is an old man. **But** what a great fish he is and what
 978 he thought. **But** that was the thing that I was

997 That can be replaced. **But** who replaces this fish if I hook
1003 wish I had the boy. " **But** you haven't got the boy, he
1010 cheek a little way. **But** it coagulated and dried before it
1021 badly as mine does. **But** he cannot pull this skiff forever
1043 that he would jump. **But** he might. "God let him jump
1065 you very much. **But** I will kill you dead before this
1082 to sea to meet them. **But** he said nothing of this to the bird
1091 breeze that is rising. **But** I am with a friend." Just then
1103 could turn the fish. **But** when he was touching the
1109 long, the man thought. **But** it is rougher where you are going
1130 that had cut his flesh. **But** it was in the working part of his
1161 hours with the fish. **But** you can stay with him forever
1187 He is my brother. **But** I must kill him and keep strong
1198 fish is going to do. " **But** he seems calm, he thought, and
1199 following his plan. **But** what is his plan, he thought. And
1201 jump I can kill him. **But** he stays down forever. Then I
1204 to gentle the fingers. **But** it would not open. Maybe it will
1208 whatever it costs. **But** I do not want to open it now by
1213 alone he was now. **But** he could see the prisms in the
1222 sudden bad weather. **But** now they were in hurricane
1230 shape of the clouds. **But** we have no hurricane coming now
1241 or to vomit from it. **But** a cramp, he thought of it as a
1245 forearm, he thought. **But** it will loosen up. Then, with
1276 something broke. **But**, thank God, they are not as
1294 sort of man I am. **But** then he would see the cramped
1308 religious," he said." **But** I will say ten Our Fathers and
1333 but a dolphin here. **But** if I eat him fresh enough he won't
1335 on board tonight. **But** I have no light to attract them. A
1341 is unjust, he thought. **But** I will show him what a man can
1355 slowly and steadily. **But** there was an added drag now
1360 started to rise again. **But** the fish only continued to swim
1371 in the absolute dark. **But** almost as a cat sees. The sun
1384 juegos, he thought. **But** I must have confidence and I
1400 was a fisherman. **But** would the bone spur hurt him too
1431 inches off balance. **But** the old man had raised his hand

1443 it to go to a finish. **But** he had finished it anyway and
 1447 match in the spring. **But** not much money was bet and he
 1454 with his left hand. **But** his left hand had always been a
 1465 gain any on his fish. **But** he could not and it stayed at the
 1481 he is really golden. **But** when he comes to feed, truly
 1512 at all," he said. **But** watching the movement of the
 1535 eat than the bonito. **But**, then, nothing is easy. "How do
 1541 that he mistrusted. **But** I have had worse things than
 1553 heard of such a fish. **But** I must kill him. I am glad we do
 1556 The moon runs away. **But** imagine if a man each day should
 1562 he feed, he thought. **But** are they worthy to eat him? No
 1566 things, he thought. **But** it is good that we do not have to
 1599 line fast, he thought. **But** with one small lurch he could
 1603 with both hands. " **But** you have not slept yet, old man
 1613 and a flat calm. **But** remember to sleep, he thought
 1617 he told himself. **But** it would be too dangerous. He
 1621 himself, he thought. **But** I do not want him to rest. He
 1644 swirl in the water. **But** there was only the light of its
 1674 salt, he thought. **But** then I did not hook the dolphin
 1675 a lack of preparation. **But** I have chewed it all well and I
 1682 four days," he said. " **But** not tonight and not tomorrow. Rig
 1693 hard on the right hand. **But** he is used to punishment. Even if
 1764 he suddenly felt fear. **But** he was such a calm, strong fish
 1769 you cannot get line. **But** soon he has to circle. " The old
 1790 said to his left hand. " **But** there was a moment when I
 1794 that one properly. **But** God knows he has had enough
 1800 more of the dolphin. **But** I can't, he told himself. It is
 1804 until it goes bad. **But** it is too late to try for strength
 1828 big circle," he said. " **But** he is circling." Then the line
 1838 I must kill him. **But** the fish kept on circling slowly
 1840 two hours later. **But** the circles were much shorter
 1852 a hundred Hail Marys. **But** I cannot say them now
 1862 for him to take air. **But** after that each one can widen the
 1869 I can control mine. **But** his pain could drive him mad
 1873 line steadily now. **But** he felt faint again. He lifted

1885 recovering any line. **But** when the strain showed the fish
1891 trade wind is rising. **But** that will be good to take him in
1901 risen considerably. **But** it was a fair-weather breeze
1910 can't be that big. " **But** he was that big and at the end of
1931 get the harpoon in. **But** I must get him close, close, close
1954 I'll pull him over. **But** when he put all of his effort on
1965 he nearly had him. **But** again the fish righted himself
1967 the old man thought. **But** you have a right to. Never have I
1981 time. I do not know. **But** I will try it once more. He tried
2014 he could not see well. **But** he cleared the harpoon line and
2027 "I am a tired old man. **But** I have killed this fish which is
2040 fortune, he thought. **But** that is not why I wish to feel
2054 on, fish," he said. **But** the fish did not come. Instead he
2058 not believe his size. **But** he untied the harpoon rope from
2079 is not that clear. **But** I think the great DiMaggio would
2080 I had no bone spurs. **But** the hands and the back hurt truly
2097 for the moisture. **But** he could not find a spoon and his
2133 be no question either. **But** they were sailing together
2152 he lost the scent. **But** he would pick it up again, or
2197 all-swallowing jaws. **But** that was the location of the
2221 he himself were hit. **But** I killed the shark that hit my fish
2227 on the newspapers. " **But** man is not made for defeat," he
2232 and intelligent. **But** I was more intelligent than he
2236 it when it comes. " **But** I must think, he thought. Because
2240 Any man could do it. **But** do you think my hands were as
2250 part of the current. **But** there was nothing to be done
2256 "I am still an old man. **But** I am not unarmed. " The breeze
2268 and feed many people. **But** then everything is a sin. Do not
2274 the great DiMaggio. **But** he liked to think about all things
2284 man," he said aloud. **But** you enjoyed killing the dentuso
2299 price in the market. **But** there was no way to keep its
2324 in their excitement. **But** they were closing all the time
2343 galanos. " They came. **But** they did not come as the Mako
2363 but his shoulder too. **But** the shark came up fast with his
2397 things, he thought. **But** you did not bring them, old man

2406 one took," he said. " **But** she's much lighter now." He did
 2420 a dream, he thought. **But** who knows? It might have
 2426 down into his brain. **But** the shark jerked backwards as
 2431 the old man. **But** he did not even watch it now
 2433 gaff now," he said. " **But** it will do no good. I have the two
 2437 club sharks to death. **But** I will try it as long as I have the
 2466 the club came down. **But** he felt the rigidity of bone too
 2492 have in my time. **But** I have hurt them both badly and
 2504 to worry, of course. **But** I am sure he would have
 2511 out. I ruined us both. **But** we have killed many sharks, you
 2518 with, he thought. **But** there was no hatchet and then
 2519 there was no knife. **But** if I had, and could have lashed it
 2524 them until I die. " **But** in the dark now and no glow
 2533 the fish, he thought. **But** I am too tired to say them now. I
 2553 wish too many things. **But** that is the thing I wish for now
 2566 hit me again. **But** what can a man do against them
 2572 have to fight again. **But** by midnight he fought and this
 2583 down again and again. **But** they were up to the bow now and
 2599 of it for a moment. **But** there was not much of it. He
 2652 He tried to get up. **But** it was too difficult and he sat
 2705 he were waking. **But** he had gone back into heavy
 2739 caught two yesterday. **But** we will fish together now for I
 54 already in and had **butchered** their marlin out and
 659 he has been cut up and **butchered**. But the old man thought, I
 963 begged her pardon and **butchered** her promptly. "I wish the
 2253 lash my knife to the **butt** of one of the oars. " So he did
 2395 the lashing on the oar **butt**. "I should have brought a stone
 2519 lashed it to an oar **butt**, what a weapon. Then we might
 2592 with the splintered **butt**. He felt it go in and knowing it
 201 you think we should **buy** a terminal of the lottery with an
 2542 luck yet. "I'd like to **buy** some if there's any place they
 2544 said. What could I **buy** it with? he asked himself. Could
 2545 himself. Could I **buy** it with a lost harpoon and a
 2547 he said. "You tried to **buy** it with eighty-four days at sea
 229 many different shades **by** the sun. The old man's head was

400 from the chair **by** the bed and, sitting on the bed
705 aloud when he was **by** himself. He had sung when he was
706 sung when he was **by** himself in the old days and he had

932 me by jumping or **by** a wild rush. But perhaps he has

1128 another sudden lurch **by** the fish and he stood up and
